Comments:

This is in reply to the voice mail message that you left for me earlier this afternoon.

You noted that the cover sheet of the Office action mailed on 17 October 2005 indicated that the drawings filed on 1 May 2001 were objected to, but the action provided no details.

That notice on the action cover sheet is an error. I, the responsible examiner, find said drawings to be acceptable. I checked the wrong box on the action cover sheet.

Thank you for promptly identifying the error, and please accept my apology for trouble that it caused you.
